

Supporting Federal Agencies Amid Staff Shortages

With the current wave of federal government downsizing—through VERA, DRP, RIFs, and retirements—agencies are losing experienced workers' comp professionals and institutional knowledge. Budget constraints are further limiting training and onboarding efforts.

Frasco is Your Partner in Bridging the Gap

With 30+ years of experience in workers' compensation investigations and management, Frasco offers federal agencies both strategic guidance and hands-on case management support—tailored to your staffing challenges and compliance needs.

Services Available With a Case Management Contract

Case-Specific Support

Guidance on complex claims, stress cases, recurrences, and appeals to help agencies manage high-impact cases.

Documentation & Medical Review

Assistance with challenge letters, medical reviews, SECOP recommendations, and return-to-work or rehab planning.

Cost-Saving Strategies

Identify dual benefits, terminations, and ways to reduce LWEC and schedule award payouts.

Fraud & Surveillance Coordination

Support with surveillance planning, fraud detection, and OIG referral guidance.

FECA Compliance & Staff Training

Interpret FECA rules, provide ECAB insights, and offer internal training to strengthen agency teams.

Dedicated Support Hours

Monday–Friday
8:00 am–4:30 pm EST
via appointment

Even without a formal case management contract, Frasco can support your agency through general, non-case-specific services.

Services Without Access to ECOMP or PII

General Case Management Guidance

Non-specific discussions to help shape your agency's claims strategy.

Vocational Rehab Guidance

Help navigating referrals and CWEC cases.

FECA & ECAB Support

Interpretation of regulations and case decisions.

Surveillance Strategy Support

Maximize results with strategic insight—no claim details needed.

Fraud Referral Guidance

Recommendations for identifying and escalating suspicious cases.

SECOP Guidance

Steps to pursue second opinion exams.

Office Hours for General Questions

Weekdays, 8:00 am–4:30 pm EST (appointment required).
